QUINTESSENTIAL APPLICATIONS

What To Do First, Next & Last!

The order in which you perform your techniques is more important than the technique you use to accomplish a specific physiologic task.

Kerry M. McCord, DC, DIBAK

Dr. Kerry McCord

- **QA** is a physiologically based, basic science driven, neurological hierarchy for the ordered application of clinical procedures & techniques
- **QA** uses manual muscle testing as a window on neurological function
- **QA** has its origins in Applied Kinesiology – It is the IDEAL way to organize AK

The QA Clinical Protocol insightfully approaches the patient's presenting complaint(s) as an integral part of their overall physiology. It assesses and treats 'physiology gone wrong' in a systemically oriented, logical, efficient, and clinically rewarding manner.

Walter H. Schmitt, DC, DIBAK, DABCN

Finally someone has done the near impossible! Imagine the 40+ years of AK organized into an extremely workable hierarchy of what needs to be done first, second, and next. Follow the QA Protocol and know what to do for any patient on any visit. **Scott Walker, DC**

An extraordinary tool is now available for health care professionals. **Sergio Veneziani, MD**
QA has put **AK** into an order that makes sense. **Anita Ginter, MD**

QA Webinars – FREE to ALL
Wednesdays @ 12 Noon ET

QA AUDIO CDs

An in depth discussion of the thought process that gives rise to the **QUINTESSENTIAL APPLICATIONS Clinical Protocol**. In this topically indexed, 4 CD Set, Dr. Schmitt discusses "The Neurological Rationale for a Comprehensive Clinical Protocol Using Applied Kinesiology Techniques" providing insights into the basic science and intricate physiology that drives the **QA Clinical Protocol**.

QA BOOK

QUINTESSENTIAL APPLICATIONS: A(K) Clinical Protocol, co-authored by Drs. McCord and Schmitt, is the first ever neurologically based AK clinical reference manual. It represents the clinical application of the **QA Clinical Protocol**.

QA DVDs

All professionally recorded **QA Sessions** (1–15) were digitally mastered using 2 cameras for best view of presentation, direct-feed audio and digitally inserted Power Point slides. They are fully indexed for ease of use.

QA ENROLL @ HOME Special (Save \$80)

The **QA Enroll @ Home Special** includes the **QA Audio**, the **QA Book** and **QA DVDs** of the 1st Session of the **QA Course** (covering powerful pain relief techniques).
